A large tree with prominent buttresses in a forest. The tree trunk is thick and brown, with several large, spreading buttresses at the base. The forest is lush with green foliage and sunlight filtering through the canopy.

2

The tree is in the forest.

The bird is in the tree.

The flower is on the tree.

The spider is on the flower.

A black and white monkey is perched on a thick, textured tree branch. The monkey has dark fur on its head and back, with a lighter, almost white chest and belly. Its eyes are a striking reddish-brown color. The monkey's long tail is visible, extending downwards and to the left. The background is a soft-focus green forest with various leaves and branches, suggesting a tropical or subtropical environment. In the top left corner, there is a small green icon of a four-leaf clover with the number 6 inside it.

6

The monkey is on the tree.

The leaf is on the tree.

The bug is on the leaf.

The butterfly is on the leaf.

An aerial photograph showing a wide, muddy brown river meandering through a vast, dense green forest. The river forms several large, sweeping loops, with sandy banks visible at the turns. The forest is thick and covers the entire landscape around the river.

10

The river is in the forest.

The fish is in the river.

The turtle is in the river.

The leaf is on the river.

The bird is in the river.
