

 MONGABAY

THE RAINFOREST

Leveled Reader

Triona Gogarty

mongabay.org

A lush, dense tropical rainforest covering a hillside, with a body of water in the foreground. The forest is composed of various types of trees, including tall, thin trunks and thick foliage. The water is dark and reflects the surrounding greenery. In the top left corner, there is a small green leaf icon with the number 2 inside it.

2

This is the rainforest.

A photograph of a dense tropical forest. The scene is filled with various types of trees and thick green foliage. In the center, a large tree trunk is heavily covered with thick, light-colored vines or roots that hang down. The ground is covered in brown soil and fallen leaves. The overall atmosphere is lush and vibrant.

This is a tree.

A photograph of a large tree in a lush, green forest. The tree's trunk is thick and textured, with several large, flat, fan-shaped buttress roots extending outwards from the base. The forest floor is covered in brown leaves and small green plants. The background is filled with dense foliage and other trees.

4

This is a root.

This is a leaf.

A large, vibrant green leaf with prominent veins is the central focus of the image. It is set against a background of a dense forest with many other green leaves and branches. The lighting is natural, highlighting the texture of the leaf.

This is a leaf.

This is a flower.

This is the river.

This is a deer.

This is a bird.

This is a tiger.

This is a snake.

A squirrel monkey is perched on a tree branch, looking to the left. The monkey has a grey face with a white patch around its eyes and a dark nose. Its body is covered in brown and grey fur, with a long, thin tail. The background is a lush green forest.

This is a monkey.

This is a girl.

This is the rainforest.
